Description of Incident: While working in bldg 18 I S/Sgt Jason Newman was ordered by Lt Forbes to muster for QRT. The team consisted of my self c/o Wright c/o Silva, c/o Cole, and c/o Hedges. The team was to report to 18 C tier cell upper 5. Once there and in the stand by position Lt Forbes and Capt McCreanor ordered im Dickens, Kevin 00256265 to back up to the door to be cuffed. Im Dickens three direct orders and Capt McCreanor opened the cell flap and im Dickens threw hot water onto Capt McCreanor, Lt Forbes, and myself. Im Dickens was sprayed with capstun and the flap was secured. Im Dickens still refused to cuff up and the team was ordered to fire. I went to open the cell door and it was jammed only open about half way. At this point im Dickens rushed the door and threw more hot water at me hitting the shield. C/o Wright made his way into the cell while I was able to open the door all the way for the rest of the team. I secured im Dickens' arms and he was cuffed and shackled with little resistance. Im Dickens was moved by the team to cell lower 1 on c tier. The team was then ordered by unit 7 to place im Dickens in the observation room in 18 and placed in 24 hour restraints. This was done by the qrt and without resistance from im Dickens. All officers were seen by medical. I suffered a scrap on my left forearm. Capt McCreanor received burns on his body. Im Dickens received no injuries and was cleared for being sprayed with capstun. EOR

Description of Incident:

On Wednesday, July 25, 2007 at approximately 2050 hours I, Capt. Michael McCreanor, was informed by Lt. Peter Forbes, Unit 47, that I/M Kevin Dickens had thrown a liquid mixture, believed to be feces and urine on C/O Kevin Lingenfeldt. I was also informed that I/M Dickens was upset because he had not received his newspaper and had earlier communicated threats of violence against staff as retribution. I ordered Lt. Forbes to muster the QRT and informed him I/M Dickens was to be transferred to SHU Isolation. I then reported to SHU 18, I along with Lt. Forbes and QRT made our way to Building 18, CU 5 and Lt. Forbes gave I/M Dickens 3 direct orders to back up to the door to be cuffed. I/M Dickens refused to comply. It was then decided that capstun was needed. The plan was to lower the food flap so Lt. Forbes could spray into the cell. Since I was there I told Lt. Forbes that I would lower the flap and when I did he was to use capstun. I stood to the right of the food flap expecting I/M Dickens to try and throw something at either Lt. Forbes or myself. Once the flap was opened I/M Dickens extended his arm through the flap and threw a scalding hot mixture in my direction. Lt. Forbes used his capstun to spray I/M Dickens. The liquid landed on my left forearm and the left side of my stomach. The liquid caused first degree burns. The order was given for the QRT to fire. The cell door was partially blocked and had to be forced open past the half way point. The team entered CU 5, wrestled with the inmate, and restraints were applied. Once this was accomplished I made the notifications to D/W Burris, On Call Person, D/W Pierce, Maj. Scarborough, Warden Carroll, and Investigator Ed McGee. A cell search was conducted and 1 stinger, 1 soap ball, 2 halves of an Ibuprofen tablet, and a ball point pen was recovered from I/M Dickens' cell. I and Officer Lingenfeldt then reported to Kent General Hospital for treatment.

JURY TRIAL REQUESTED

AFFIDAVIT OF FRANK KROMKA

I, Frank Kromka having been duly sworn according to the law do hereby depose and state the following:

1. I am employed by the State of Delaware, Department of Correction ("DOC") at the Delaware Correctional Center ("DCC") Smyrna, Delaware. Since July, 2000, I have been in charge of the DCC's inmate property room.

2. On July 26, 2007, the property room was in receipt of Plaintiff Kevin Dickens ("Plaintiff") property due to his transfer to isolation the previous day. I instructed property room Officer McLaughlin ("McLaughlin") to process the Plaintiff's property for delivery to him when he was permitted to receive it. Shortly thereafter, McLaughlin called me over and informed me that Plaintiff's property was saturated in urine and covered with feces. As I approached Plaintiff's property I experienced a strong foul odor and discovered, as McLaughlin had, that Plaintiff's property was contaminated with urine and feces. I then instructed McLaughlin to place all of Plaintiff's property in plastic bags until I spoke with my supervisor, Staff/Lt. Dotson. ("Dotson")

3. Around noon on the same day, July 26th, I contacted Dotson who said that

A-6

he would speak with the Deputy Warden on how to proceed with the Plaintiff's property. On July 27th, McLaughlin informed me by e-mail that Dotson requested the property room to sort through Plaintiff's property, remove any property that was stained with urine and/or feces, photograph it and then dispose of it due to health and safety concerns. I subsequently contacted Dotson to verify his directive. Having confirmed Dotson's directive, Officer Roger Raney and I removed all property deemed urine/feces covered, photographed it and disposed of said items. Plaintiff's property which was urine/feces free was separated and prepared for shipment to the Plaintiff.

4. In addition to his legal materials and miscellaneous papers some of Plaintiff's clothing, towels, socks, t-shirts etc., also had to be disposed of due to contamination. (See Form 537-A). On August 9, 2007, the Plaintiff signed for the return of his property.
